For the student finds,

INITIATORY DEPARTMENT,

which is under the superintendence of Miss 1. I. Terrell. She has been in charge of his department a year, and been eminently necessful as a teacher. Penimuship and the theory of accounts are taught here. When the pupil has mastered the rudiments to speak, he is advanced to the THEORETICAL PEPARTNENT.

Here they are instructed by Mr. John M. rake, in railroading, forwarding, steambook-keeping. When the theory has been equired, the student passes under the tuition f Mr. Morris J. Drake, teacher of banking, commission and practical book-keeping. He is drilled in these until the processes become perfectly familiar. The theoretical and practical are combined. Every sort of business is transacted in the class under the immediate inspection of Mesrs. J. Nelson Ashburn and Juhn M. Drake. Every foot of which has been utilized.

The detail, done on paper, passes under the eye of these instructors. The class are not and practical in the class are not seed in the characteristics. It take from your article the following: "An ordinary drunk costs a man \$1.00 and costs, but it will be seen in the Police Court report this marning that tographic rooms, together with the commodities and Juhn M. Drake. Every foot of which has been utilized.

The difference, Mr. Editor, is simply the lawyers?"

The difference, Mr. Editor, is simply the lawyers? The class are not to reversing apartment off ines assessed in the Police Court for intoxication. I take from your article the following: "An ordinary drunk costs a man \$1.00 and costs, but it will be seen in good demand and stiff. The demand for Chesse is active.

Highwines rule for intoxication. I take from your article the following: "An ordinary drunk costs a man \$1.00 and costs, but it will be seen in good demand and stiff. The demand for Chesse is active.

Highwines rule firmer to-dsy, but quiet.

Passing to the third floor, we find two for intoxication. I take from your article the following: "An ordinary drunk costs a man \$1.00 and costs, but it will be seen in the Police Court report this marning that got tight under the State law, and was fined \$6.00 and costs. Why is it thus?

The receipts and shipmouts at this point lawyers?"

The difference, Mr. Editor, is simply the lawyers? The difference and Merchandise, during the twenty-four hours ending at 7 o'clock this. He is drilled in these until the processes be left to themselves to transact mock business and run the risk of committing errors, as in ome self-vaunted colleges. Every paper ransaction being thus passed under a microscope, as it were, the pupil must grow up to correct and assured business habits

This is the strong point, the crowning merit, pride in her graduates, than this of Mr.
